WINERY INFO:

Krupp Brothers Winery is a limited production artisan winery crafting complex, age-worthy wines from the world-famous Stagecoach Vineyard. In 1999, Jan and Bart founded Krupp Brothers, producing their first vintage: An extraordinary Cabernet Sauvignon. Our wines begin at the source – fruit from select blocks that have been carefully chosen by Jan. Today, each wine in our collection – from our mountain Chardonnay and Cabernet Sauvignons to our Rhone-style Syrah and Tempranillo-based red – embody the vision and passion that has guided the two brothers.

Rising high above marine layer fog in the Vaca Mountains with red, volcanic rocky soil, Stagecoach Vineyard produces some of Napa Valley's most coveted fruit. Dr. Jan Krupp hand selected his favorite blocks for Krupp Brothers to create wines of great intensity, nuance and structure.

Jan and his brother Bart fell in love with the rugged mountain site that would become one of Napa's most iconic vineyards. Despite its harsh desert landscape – riddled with rocks and boulders, and choked with chaparral with no known water source and no road access – they saw the makings of a world-class vineyard. In 1995, with the help of a water witch, the removal of more than 1 million tons of rock, and the construction of a snaking road requiring 135 legal documents, Stagecoach Vineyard was born. Today, Stagecoach is the largest contiguous vineyard in Napa, providing fruit for some of the area's finest wineries..

CHAPPELLET 2018 'SIGNATURE' CABERNET SAUVIGNON NAPA VALLEY

TASTING NOTES: Rich, dark and concentrated, this wine displays luxurious aromas of crème de cassis, plum, ripe berries, anise and fresh herbs, as well as hints of vanilla, clove, dark chocolate and sweet spices from aging in French oak. On the lush, layered palate, supple fine-grained tannins frame the dark berry and black plum flavors, with hints of cedar, espresso and tobacco leaf adding sophistication to a long, voluptuous finish.

WINERY INFO: For more than four decades, the Chappellet family has been crafting world-class wines from fruit cultivated on the steep, rocky slopes of Napa Valley's renowned Pritchard Hill. As one of the first wineries to pioneer high-elevation hillside planting, and one of the few remaining great family-owned Napa Valley wineries, Chappellet has influenced generations of vintners. Chappellet has also established an enduring legacy as one of California's most acclaimed producers of Cabernet Sauvignon.

The Chappellets' romance with Pritchard Hill began when Donn and Molly Chappellet first glimpsed the mountain's spectacular vistas in the late 1960s. Inspired by the notion that Bacchus loves the hills, Donn and Molly followed the advice of legendary winemaker André Tchelistcheff and settled on the rocky eastern slopes of the Napa Valley. Chappellet has earned acclaim championing the robust power and complexity of wines crafted from mountain grapes. At the same time, Chappellet has helped to establish Pritchard Hill as one of California's most revered winegrowing sites. To honor the mountain's rich, expressive character, the winemaking team focuses on creating extraordinary, age-worthy Cabernet Sauvignons that embody the intensity and finesse of fruit from Pritchard Hill.

The Signature Cabernet Sauvignon has been the flagship wine for more than three decades. It is a benchmark for the long-lived hillside wines of the Napa Valley; full of structure and aging potential, yet seductively forward in its concentrated varietal character. The dry, rocky soils of Pritchard Hill produce small, intensely flavorful grapes.
