## LADY AMHERST 2019 CHENIN BLANC PASO ROBLES

**TASTING NOTES:** A wide array of aromatic characters include peach, melon, quince and a hint of citrus. Ripe fruit is tempered by finely balanced acidity to give a mouth-filling, refreshing palate with a hint of marzipan on the finish..

*LadyAmherstWines.com*

**WINERY INFO:** Lady Amherst is the newest creation of winemaker Tyler Russell (Cordant/Nelle). Focused on featuring unique old vine white wine plantings from around the Paso Robles area, Tyler was inspired to create this lineup of wines because of his love for spicy foods and the need to have some good white wines in his cellar to pair them with. Like the rare and elusive Lady Amherst pheasant for which this lineup of wines is named, each of these wines is a unique treasure worth taking the time to seek out and enjoy. The label was designed by a local Paso Robles artist based on a watercolor painting, the original of which is about the same size as the wine label itself.

### WINE STATS:

**BLEND:** 100% Chenin Blanc      **Barrel Aging:** 100% Stainless Steel

**Production:** 100 cases

**Regular Price. . . \$30.99    CLUB CRUSH PRICE. . . \$27.89**

## LUMEN WINES 2019 PINOT GRIS SANTA MARIA VALLEY

**TASTING NOTES:** Sourced from one of our favorite Pinot Noir vineyards, this Pinot Gris offers aromas of canteloupe, white peach and honeysuckle. On the palate it offers fresh melon, butterscotch and peach flavors focused around a striking acidity and minerality. The finish is long and lingering.

*LumenWines.com*

**WINERY INFO:** Will Henry and Lane Tanner share a common vision: to make wines from the best cool-climate vineyards in Santa Barbara County, and to follow a regimen consistent with California's early days of hands-on, honest winemaking. The duo asserts that the most balanced (and thus memorable) wines are made from fruit that is picked relatively early on the harvest calendar, the end result being a wine that is livelier on the palate, deeper in complexity, lower in alcohol, and more worthy of cellaring.

---

Our primary vineyard site in the Santa Maria Valley, Sierra Madre remains one of the valley's closest plantings to the cool waters of the Pacific Ocean. With sandy soils and gentle slopes, it is planted primarily to Pinot Noir, with smaller amounts of Chardonnay, Pinot Gris and Pinot Blanc.

Lumen has a strict commitment to honest and healthy winemaking practices, sources fruit from sustainably certified and biodynamic vineyards, and is a member of 1% For The Planet – donating 1% of all sales to environmental causes. al companion to tapas and fresh seafood.

## WINE STATS:

## SAMsARA WINE COMPANY 2020 ROSÉ SANTA BARBARA COUNTY

**TASTING NOTES:** The exotic citrus and stone fruits on the palate: pomelo, ruby red grapefruit, tangerine, yellow peach, and nectarine sherbert make this wine versatile and crowd-pleasing! You can drink it by the pool due to it's bright freshness or pair with a range of first courses as it's textural mouthfeel lends it to many interesting pairings.

**WINERY INFO:** SAMsARA produces limited releases of Pinot Noir, Syrah, Grenache and Chardonnay from carefully selected micro-sites within Sta. Rita Hill's most distinctive vineyards. The resulting wines are an interpretation of the tenuous balance between the power of natural elements beyond our control and the human desire to reach perfection. Winemaker Matt Brady works hard in the vineyard to ensure that grapes reach the winery with perfect ripeness, flavor, acidity, and tannins. Once the grapes are there, there is as little intervention as possible in the winemaking process, resulting in the utmost expression of the fruit, soil, site, and region, otherwise known as terroir.
