PETER PAUL WINES 2017 CABERNET SAUVIGNON NAPA VALLEY

TASTING NOTES:

Soaring aromatics are the first striking thing you'll notice. Next, fine-tuned layers of black fruits, roasted herbs & spices, unsweetened cocoa develop in the glass in a particularly beautiful, if somewhat cerebral strength; with air, the touch of austerity yields to a delicious complexity.

WINERY INFO:

In 2002, the first vintage of Peter Paul Wines was bottled. Over a decade and numerous critical scores and awards later, Peter Paul Wines is a well-respected yet small virtual California winery.

Producing less than 2,000 cases annually and sold in a handful of states, Peter Paul Wines remains one of the industry's stealthiest wineries. One might not guess that our sources of Pinot Noir and Chardonnay fruit come from two historic & well-known vineyards in Sonoma, while our Napa wine program is crafted from handshakes & friendships with some of the most esteemed properties in the Valley.

From our appellation blends to our single-vineyard expressions, Peter Paul Wines showcase the sunny temperament of fruit grown along the California North Coast, while retaining the refined elements of each grape's DNA and European heritage. Each wine offers the proper balance of fruit, savor, and structure that hits a sweet spot of ripeness without confection. Our wines are known for delivering density, richness, and joy while still saying "Please and Thank You."

TWO OLD DOGS 2019 CABERNET SAUVIGNON NAPA VALLEY

TASTING NOTES:

The 2019 Cabernet Sauvignon boasts incredible aromatics with a very forward nose bringing fresh ripe red fruits, with a backbone of dark spices, from the 100% new French oak. There is a striking aromatic presence, with flavor profiles that lean towards darker and denser fruit extractions. The deep purple color teases the richness of flavor to come, with the lovely bouquet bursting at every swirl.

The depth and complexity of the nose is confirmed in the mouth with luscious black raspberry, blueberry, minerals, dense black cherries and ripe plums. Experience a wonderful bright freshness from this fruit-forward offering, showing a good acid balance and soft tannins with a full body and good weight in the mouth. Perfect for drinking now or saving for a special celebration in the next 10 years.
