## CADE 2020 SAUVIGNON BLANC NAPA VALLEY

**TASTING NOTES:** Aromas of apple, lemon, lime, banana, pear, white flowers, citrus zest, orange blossom, and cantaloupe. Barrel fermentations add texture, density, and viscosity while stainless-steel fermentations preserve the natural Sauvignon Blanc aromatics, acidity and crispness of the wine. Flavors of mandarin orange, honeydew melon, crushed rocks, grapefruit, lime, and melon rind delight the senses. A round and creamy palate is balanced by a touch of minerality, and finishes with a bright, citrus acidity.

**WINERY INFO:** At CADE Estate, we believe that winemaking should honor the land, both aesthetically and ecologically. Our philosophy of making luxury wine in harmony with the environment begins in the soil of our estate vineyard where we maintain a painstaking program of natural cultivation - a rewarding program that made us the first organically farmed LEED (Leadership in Energy and Environmental Design) Gold Certified estate winery in the Napa Valley.

### WINE STATS:

**BLEND:** 98% Sauvignon Blanc, 1% Viognier, 1% Semillon

**Barrel Aging:** Stainless-steel (81%), new French oak (7%), and neutral French Oak (17%)

**Production:** 8,600 cases

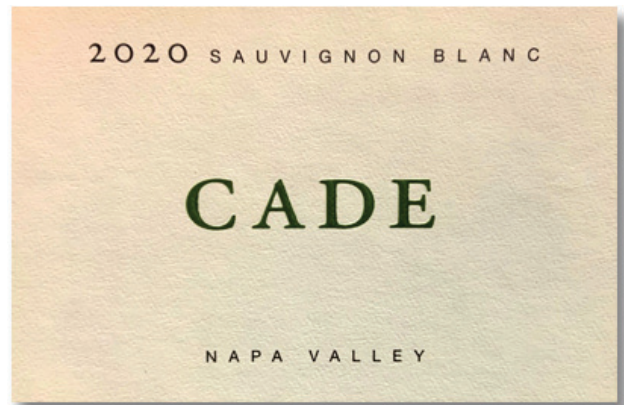

**Regular Price. . . . \$32.99 CLUB CRUSH PRICE. . . . \$29.19**

## STOLPMAN VINEYARDS 2020 'UNI' WHITE WINE BALLARD CANYON

**TASTING NOTES:** A depth of honeysuckle elevated via a pineapple bridge to lemon+lime and crunchy pear flesh. Softly billowing in the mouth closing with a precise, clean finish. The most balanced Uni yet, with complementing forces of ripe, rich Roussanne and high-toned Chardonnay. The underlying citrus spray refines and checks the intense concentration of the Roussanne and the wine delivers a delightfully seamless tasting experience.

**WINERY INFO:** Stolpman Vineyards focuses on estate grown Syrah and Sangiovese among several other varietals. In addition to the classic Stolpman style, the lighter-bodied line of wines under the "Stolpman

So Fresh" label are made without Sulfur using low-extraction Carbonic fermentation. The Combe label, our partnership with Rajat Parr, focuses on Trousseau and Chenin Blanc.

Grapes are grown in the Ballard Canyon AVA without herbicide and minimal organic fungicide. We strive to withhold irrigation from our vines for greater concentration of flavor and to allow the vines to balance themselves. Vineyard Manager Ruben Solorzano pushes the viticultural limits with many own-rooted plantings at extremely tight 6,000 vine per acre density.

## WINE STATS:

**Blend:** 70% Roussanne, 30% Chardonnay

**Barrel Aging:** 10 months in 100% neutral French oak

**Alcohol 13% Production:** 900 cases

**Regular Price. . . . \$29.99 CLUB CRUSH PRICE. . . . \$26.99**

## KINERO CELLARS 2020 'ALICE' GRENACHE BLANC PASO ROBLES

**TASTING NOTES:** The beautiful bouquet is filled with lemon verbena, crushed oyster shells, white flowers, and evergreen forest. Vibrant flavors of lime, pistachio, Asian pear, and just a hint of rosemary evolve into a tightly packed mid-palate that fans out on the long lingering finish - staying focused with a wonderful vein of salinity throughout.

**WINERY INFO:** Owner & Winemaker Anthony Yount makes just three wines at Kinero; Grenache Blanc (Willow Creek and Templeton Gap), Roussanne (James Berry Vineyard) and Chardonnay (Talley Vineyards). The Alice Grenache Blanc is one of California's leading examples of the grape. Dialing back ripeness and using more old wooden puncheons and concrete tanks to let the Grenache in particular, reveal a distinct Paso-ness that transcended the area's fondness for excess. Elegance, grace, complexity, showing the unique soils and climate he considers himself incredibly fortunate to work with.
