ERIC KENT 2020 CHARDONNAY 1KM WEST SONOMA COAST

TASTING NOTES: You'll find pure, vibrant notes of Meyer lemon, green apple, pear and lemon peel on both the nose and on the palate. More firmly in the medium plus weight category this year, there's a bit more nuttiness from the extended lees contact on the wonderfully balanced and fresh finish. Overall, we love this bottling for its grace and harmony...a Chardonnay that doesn't have to shout to impress and certainly lacks nothing in terms of flavor.

WINERY INFO: We are a boutique producer of Sonoma County wines featuring inspiring artists' work on our labels. As a winemaker and artist team we combined our passions to create a label that celebrates craft both inside and outside the bottle. Our goal is to capture a bit of the best California has to offer in every glass, creating wines that are proud of their bold fruit and yet still able to seduce you with their nuance and finesse.

WINE STATS:

Blend: 100% Chardonnay

Alcohol: 13.4%

LICHEN ESTATE 2021 PINOT GRIS ANDERSON VALLEY

TASTING NOTES: If a belly dancer turned florist and then moonlighted as a winemaker, one would suspect she was on our winemaking team for this one. Floral aromatics of jasmine and orange blossom pair with fresh honeydew melon. A dense, viscous midpalate follows with stone fruit, more melon, bosc pear, sliding into a lighter, brighter tropical citrus dancing all the way to that spectacular finish.

WINERY INFO: The 203-acre Lichen Estate sits at the heart

of Anderson Valley, half way between Boonville and Philo. In 2008 we planted 7 acres of Pinot noir and Pinot gris vines on meter-by-meter spacing, taking inspiration from the Grand Cru vineyards of Burgundy and Champagne. We have farmed it organically from the outset. This singular vineyard produces singular wines. Half of our fruit goes into our estate sparkling wine: Blanc de Gris and Blanc de Noir; the other half goes into our estate still wines: Pinot noir and Pinot gris. We strive for elegance, focus, purity, structure, and balance in all our wines.

MOMO BY SERESIN ESTATE 2022 SAUVIGNON BLANC MARLBOROUGH, NEW ZEALAND

TASTING NOTES: A classy Marlborough Sauvignon Blanc displaying a vibrant nose with bright aromas of ripe tropical and stone fruit characters. The palate is subtle, yet generous and textural, with delicate notes of lemon blossom and passionfruit. The finish is refreshing, crisp and dry.

Meaning 'offspring' in Maori, MOMO sprung from Seresin Estate in Marlborough..

WINERY INFO: Located in Marlborough, New Zealand, Māori referred to our region as 'Kei puta te Wairau' or 'the place with the hole in the cloud' referring to the topography of the valley. Running west to east towards the coast, we are protected by the Richmond Ranges to the north and the Wither Hills to the south. High sunshine hours, a cool growing season and low rainfall have proven to be an auspicious combination, producing vibrant wines with acidity and depth. Made with organic grapes selected from Raupo Creek vineyard and a small number of growers, MOMO wines are nurtured into the bottle with a gentle hand. The philosophy of minimal intervention is employed throughout the wine-making process resulting in vivid, youthful wines that show honest varietal character and quality. Mindfully crafted for a true expression of the fruit and land, MOMO is set to become an everyday favorite. .
