FOXEN VINEYARD 2018 CHARDONNAY BLOCK UU, BIEN NACIDO VINEYARD SANTA MARIA VALLEY

TASTING NOTES: This is an elegant Chardonnay that displays fresh, bright aromatics of lime peel, guava, beeswax and lemon zest backed by hints of honeysuckle and jasmine. Flavors of key lime pie coat the palate with a hint of hazelnut, and its minerality is nicely balanced with soft acidity.

WINERY INFO: Bill Wathen and Dick Dore have been making wine together since 1985, when they founded Foxen Winery & Vineyard at the historic Rancho Tinaquaic in northern Santa Barbara County. Since that time, their dedication has remained the same - the creation of very small production, sustainably-farmed, vineyard-focused wines using a "minimalist" approach to winemaking. Foxen is named in memory of William Benjamin Foxen, an English sea captain and Dick's great-great grandfather, who came to Santa Barbara in the early 1800s and purchased the Rancho Tinaquaic.

WINERY INFO: Before a wine gets to you — before it’s bottled, before the grapes are crushed, before a winemaker starts crafting it into what it will become — it starts in the field. For months, it lives on the vine, carefully tended by hard-working men and women with dirt beneath their fingers and sweat on their brows. We created this End of the Day line of wine to highlight their tremendous efforts and contribution to the wine community. These wines aren’t meant to be aged or babied. They’re approachable, everyday wines for people who recognize quality and enjoy finishing the day with a nice glass of red, white, or rosé. We’ve created stylish, character filled wines for every-day drinking that also live up to the expectations of a true wine lover. Bottled at their ideal maturity, they’re ready for you to experience immediately, and often..
